Roadside rest areas in Western Australia

Driving while fatigued is a major cause of up to 25% of all crashes.

When taking a long trip, it is important to plan ahead, to ensure that you arrive safely without pushing yourself or your family. Do not drive while fatigued.

This guide lists the rest areas and facilities available that Main Roads has provided to enable you to take a short break from driving and help reduce your fatigue. Remember, rest areas are not intended for camping or overnight stays.

Use these maps to plan your trips and keep in mind the following tips:

- Allow enough time for breaks in your journey;
- Take a ten minute break every two hours and a longer break every four hours;
- Start early in the day when you are well rested and get plenty of sleep before you set off;
- Avoid driving in the early hours of the morning when you would normally be asleep;
- Plan to stop and rest;
- Avoid consumption of alcohol before and during the trip; and
- Stop if you feel tired. Watch out for symptoms like boredom, restlessness, aches and pains, sore eyes or drowsiness

Have a safe journey!

ROAD REPORTS

For information on road conditions or flooding on highways and main roads please ring this Main Roads toll free number

A message from Main Roads to all road users

Plan your trip
Avoid fatigue
Take breaks or share the driving
Stop, Revive, Survive

FREE COFFEE FOR DRIVER is a road safety initiative involving over 100 roadhouses across Western Australia. Stop at your nearest roadhouse displaying this sign and let the driver of the vehicle have a free coffee or tea and a break. This service is donated by each roadhouse to help you and your passengers reach your destination alive and well.

This invitation is extended to drivers who are on a long journey of two hours or more. There is a limit of one cup per vehicle, per stop.
